1. Cut out bib on dotted line.
2. Use safety pins to attach to your shirt.
3. If you want to make it a little more tear proof, you can use packing tape to seal the bib. For best results, put tape on both sides.

To post your results, go to www.performancetiming.com and click on the Submit Results button at the top of the page. Find your name on the list of runners and click on “Enter Time” that is associated with your name.
